

# Digital Learning Framework

## *Sample Focus Group Prompts*

**Standard 1.3:** Students demonstrate the knowledge, skills and understanding required by the post-primary curriculum.

### **For Teachers**

- What types of digital activities or tools are most effective for curriculum learning in your subject area?
- How do students demonstrate subject-specific skills or knowledge using digital tools?
- What challenges or successes have you seen when using technology to assess curriculum learning?
- 

### **For Students**

- How do you use technology to help you understand subjects like Maths, Science, or History?
- Tell us about a project or assignment where you used technology to show what you learned.
- How does using technology make it easier or harder to understand your schoolwork?
