

Digital Learning Framework

Sample Focus Group Prompts

Standard 1.4: Students attain the stated learning outcomes for each subject, course and programme.

For Teachers

- How do you ensure that digital learning activities are clearly linked to specific subject or programme learning outcomes?
- What digital tools do you use to assess if students have met these outcomes?
- In what ways do digital technologies help you support students who are at different stages of learning?

For Students

- How do you know what you're supposed to learn in each subject or topic?
- Can you think of a time when technology helped you reach your learning target or goal?
- How do you use digital tools to check if you're improving in school?
