

Digital Learning Framework

Sample Focus Group Prompts

Standard 2.2: Students grow as learners through respectful interactions and experiences that are challenging and supportive.

For Teachers

- How do you use digital tools to support respectful peer interaction?
- In what ways do digital technologies allow you to challenge students appropriately while still supporting them?
- Can you give an example where digital learning promoted student growth through collaboration or feedback?

For Students

- Can you share a time when you worked well with others using technology?
- What kind of digital tasks help you improve and learn more?
- How does your teacher help you during digital learning when things get difficult?
