

Digital Learning Framework

Sample Leadership Self-Assessment Questionnaire

Standard 2.3: Manage challenging and complex situations in a manner that demonstrates equality, fairness and justice.

1. I ensure that communication about challenging issues is clear, timely, and digitally accessible. (Choice - Always, Often, Sometimes, Rarely, Never)

2. I use digital systems (e.g., logs, alerts, reporting tools) to help manage and respond to complex student or staff situations. (Yes/No)

3. I ensure that actions and decisions are guided by fairness, consistency, and the school's values. (Choice - Always, Often, Sometimes, Rarely, Never)

4. Our school policies and digital tools support equitable responses to discipline, behaviour, or wellbeing concerns. (Yes/No)

5. I model and promote respectful, professional digital communication in all interactions. (Yes/No)

6. I involve relevant staff in digital planning and review when addressing complex situations. (Yes/No)

7. I reflect on how well our use of digital systems aligns with principles of equality, fairness, and justice. (Choice - Always, Often, Sometimes, Rarely, Never)
