

# Digital Learning Framework

## *Sample Focus Group Prompts*

**Standard 2.4:** Students experience opportunities to develop the skills and attitudes necessary for lifelong learning.

### **For Teachers**

- How do digital tools support students in becoming more independent or curious learners?
- Can you give an example of a digital activity that helps students develop skills for lifelong learning?
- What attitudes or habits do you see students building through digital learning?

### **For Students**

- How does using technology help you become a better learner?
- What digital tools help you explore your own interests or questions?
- Can you share an example of learning something with technology that will help you in the future?
