

Digital Learning Framework

Sample Leadership Team Focus Group Prompts

Standard 2.4: Develop and implement a system to promote professional responsibility and accountability.

- What systems help us monitor and support consistent digital practice across the school?
- How do we communicate expectations for digital learning to staff in a clear and supportive way?
- How do we strike a balance between accountability and professional trust when it comes to digital teaching?
- How can we improve reflection, feedback, and follow-up to support staff digital development?
- Are our leadership behaviours aligned with the professional standards we ask of staff?
