

Digital Learning Framework

Sample Focus Group Prompts

Standard 3.3: The teacher selects and uses teaching approaches appropriate to the learning objective and to students' learning needs.

For Teachers

- How do you decide which digital tools or approaches best support your learning objectives?
- In what ways do you differentiate digital instruction for diverse learning needs?
- What strategies have you found most effective when using technology to engage students in meaningful learning?
- Can you share an example where you adjusted your teaching approach based on student needs using digital tools?
