

Digital Learning Framework

Sample Focus Group Prompts

Standard 4.2: Teachers work together to devise learning opportunities for students across and beyond the curriculum.

For Teachers

- How do digital tools help you collaborate with colleagues across subjects?
- Can you describe a successful project or activity where digital technologies supported cross-curricular learning?
- What benefits have you observed from using technology to design learning opportunities beyond traditional subject boundaries?
- What makes digital collaboration effective or challenging in your context?
