

Digital Learning Framework

Sample Focus Group Prompts

Standard 1.1: Pupils enjoy their learning, are motivated to learn and expect to achieve as learners

For Teachers

What signs of motivation or engagement do you notice when pupils are using digital technologies?

How do you think digital tools affect pupils' confidence in achieving learning outcomes?

Do you think digital activities support high expectations for all learners? Why or why not?

Have you encountered any challenges when integrating digital technologies into your lessons?

For Pupils

Tell us about a time when technology helped you enjoy a lesson more.

Do you feel you learn better with digital tools? Why or why not?

What helps you feel successful or proud of your work when using technology?

Does technology help you with any particular tasks or activities?

Are there any disadvantages to using digital technologies in the classroom?
