

Digital Learning Framework

Sample Pupil Questionnaire

Standard 1.2: Pupils understand the potential risks and threats in digital environments.

Pupil Survey – Stage 1 and 2

An adult can read these statements aloud and pupils mark their response.

1. I enjoy using digital devices like tablets, laptops, or computers.

2. I think digital technology makes learning more interesting.

3. I know how to stay safe when I am online.

4. I understand that not everything I see online is true.

5. I know I should not share personal information online (like my full name, address, or school).

Digital Learning Framework

Sample Pupil Questionnaire

6. I know what to do if I see something online that upsets me.

7. I think it's important to ask an adult for help if something online worries me.

8. I know that spending too much time on digital devices can be unhealthy.

Digital Learning Framework

Sample Pupil Questionnaire

Standard 1.2: Pupils understand the potential risks and threats in digital environments.
