

## Digital Learning Framework

### Sample Teacher Questionnaire

**Standard 2.2:** Pupils grow as learners through respectful interactions and experiences that are challenging and supportive

#### Teacher Questionnaire

1. Pupils engage appropriately using digital tools (e.g. digital portfolios, digital participation tools etc). **(Choice - Always, Often, Sometimes, Rarely, Never)**
2. How do I model and promote respectful and positive digital interactions between pupils, and between pupils and myself? **(Open ended)**
3. In what ways do I ensure that digital learning experiences are both challenging and supportive for all pupils, helping them grow as confident learners? **(Open ended)**
4. How do I address and prevent negative online behaviours, ensuring that pupils feel safe and supported during digital activities? **(Open ended)**
5. How do I encourage pupils to use digital technologies to express their ideas, ask questions, and participate meaningfully in classroom or wider community discussions? **(Open ended)**
6. What opportunities do I create for pupils to engage with real-world issues through digital platforms in an age-appropriate and responsible way? **(Open ended)**
7. How do I assess and build pupils' confidence in using digital tools to deepen their understanding and contribute to collaborative learning? **(Open ended)**
