

## ***Digital Learning Framework***

### ***Sample Pupil Questionnaire***

**Standard 3.4:** The teacher responds to individual learning needs and differentiates teaching and learning activities as necessary

#### **Pupil Questionnaire**

1. How does your teacher find out what helps you learn best when planning lessons?
2. What kinds of digital tools or apps do you use in class to help you learn in your own way?
3. Do you have a tablet, laptop, or other device to help with learning? If yes, how does it help you in class?
4. Does you use things like voice typing, language translation, or text-to-speech to make learning easier for you?
5. What does your teacher do to make sure everyone can join in and enjoy the lessons, even if you all learn differently?
6. How does your teacher encourage you to use technology to reach your own learning goals?
7. How do you and your teacher check if the digital tools you use are really helping you learn better?
8. Can you remember a time when your teacher changed a lesson or activity to help you or a classmate by using digital technology?  
What happened?
