

## Digital Learning Framework

### Sample Teacher Reflection Prompts

**Standard 3.4:** The teacher responds to individual learning needs and differentiates teaching and learning activities as necessary

#### Teacher Reflection Questions

1. What strategies do you use to assess and address the diverse learning needs of your pupils when planning lessons?
2. Which digital tools or resources help to address individual learning needs?
3. Have any pupils in your class been granted a device to support their learning? If yes, how does the device support their learning?
4. Do you make use of accessibility features (e.g. voice typing, language translation, text to speech, closed captions etc.) to assist your pupils?
5. What steps do you take to ensure that your lessons are accessible and engaging for pupils with varying abilities?
6. In what ways do you encourage pupils to actively use digital technologies to support their individual learning goals?
7. How do you monitor and evaluate the effectiveness of digital tools in addressing specific learning needs within your classroom?
8. Can you share an example of a time when you adapted a lesson or activity based on a pupil's needs using digital technology?
9. Have you accessed CPD on assistive technologies before?
