

Digital Learning Framework

Sample Teacher Focus Group Prompts

Standard 4.3: Teachers collectively develop and implement consistent and dependable formative and summative assessment practices.

Teacher Focus Group Prompts

1. What digital technologies do you use to gather, share, and interpret data on pupil learning, and how do you ensure their ethical use?
2. Can you provide examples of how you have designed or developed assessments using digital tools?
3. Do you use digital portfolios to gather, assess and give feedback on pupil work?
4. In what ways do you ensure that assessment data collected digitally is relevant and useful for informing teaching practices?
5. What strategies do you use to maintain consistency in assessment practices across different classes or year groups?
6. How do you involve colleagues in the process of developing and refining assessment practices using digital technologies?
