

## ***Digital Learning Framework***

### ***Sample Teacher Reflection Questions***

---

**Standard 4.4:** Teachers contribute to building whole- staff capacity by sharing their expertise.

#### **Teacher Reflection Questions**

1. In what ways have you shared your expertise with colleagues to enhance staff capacity in using digital technologies for teaching and assessment?
2. Would you be willing to share your knowledge from a webinar/training day/summer course with your colleagues at a staff meeting?
3. Can you describe a specific instance where collaboration among teachers led to more effective integration of digital technologies in the classroom?
4. What strategies do you use to support other teachers in developing their skills and confidence with digital technologies?
5. Would you be open to modelling the use of a digital tool at a staff meeting?
