

## *Digital Learning Framework*

### *Sample School Leader Reflection Prompts*

**Standard 2.3:** Manage challenging and complex situations in a manner that demonstrates equality, fairness and justice.

#### **Reflection Questions for School Leaders**

1. How would you deal with a data breach at the school?
2. If a situation arose where a pupil was taking pictures of other pupils or staff members and sharing them online, what actions would be taken?
3. If a conflict arises between pupils on social media outside of school time but impacts pupil relations and behaviour, what actions will be taken?
4. How do you ensure that challenging situations (e.g. cyberbullying, impersonation of a teacher online) in your school are handled with equality, fairness, and justice?
5. How do you encourage pupils to use digital accounts appropriately and engage respectfully online (e.g. on a digital learning platform)?
6. Can you share an example of a challenging situation involving digital technologies that you managed, and how you ensure a satisfactory resolution?
7. Are all staff members aware of how to report child protection issues in relation to use of the internet?
