

## *Digital Learning Framework*

### *Sample Leadership Team Prompt Questions*

---

**Standard 3.2:** Lead the school's engagement in a continuous process of self-evaluation.

#### **Leadership Team Prompt Questions**

- How is digital learning currently embedded in our SSE processes?
- What types of digital data or evidence do we regularly use to monitor the implementation of the SSE plan/Digital Learning Plan?
- How do we involve staff, pupils and parents in evaluating digital learning?
- In what ways has digital SSE led to improvement in teaching or learning?
- What systems help us follow through on digital learning targets identified in SSE?
- How could we strengthen our approach to evaluating digital innovation and impact?
- How do we communicate SSE/Digital Learning Planning progress with the school community?
