

## *Digital Learning Framework*

### *Sample School Leader Reflection Questions*

---

**Standard 3.4:** Manage, lead and mediate change to respond to the evolving needs of the school and to changes in education.

#### **School Leaders Reflection**

1. How effectively do we engage with and interpret national policies (e.g. Bí Cineálta, Digital Learning Plan requirement) to inform meaningful change in our school?
2. How are staff professional learning needs identified?
3. In what ways do we support and empower staff to adapt to change, particularly in relation to new teaching methodologies and technological developments (e.g. Artificial Intelligence, AI, coding and computation thinking, Primary Curriculum Framework)?
4. Do we use technology to help staff to alleviate administrative pressures?
5. Do we use technology to create and share teaching resources across the school?
6. How well do we communicate the vision and purpose behind school improvements to staff, pupils, and the wider school community?
7. What strategies do we use to manage resistance or uncertainty among staff when implementing change, and how successful are they?
8. How do we evaluate the impact of changes introduced in the school to ensure they are improving teaching, learning, and pupil outcomes?
