

## ***Digital Learning Framework***

### ***Sample Pupil Voice Reflection Questions***

---

**Standard 4.3:** Promote and facilitate the development of pupil voice and pupil leadership.

#### **Pupil Voice Reflection Questions**

1. Do you feel that teachers listen to your ideas about how you learn best in school?
2. Do you get chances to share your opinions about using computers, tablets, or other digital tools in your learning?
3. Can you suggest new apps, websites, or ways of using technology to help you learn?
4. Do you feel confident helping other pupils or teachers with technology in school?
5. Do teachers ask for your feedback about digital learning activities or online work?
6. What is one way technology helps you learn better in school?
7. What is one way we could improve how we use technology in our school?
8. Do you think you could speak to your teacher or another adult at school if you feel worried about anything you have seen online?
9. Did you get to work on Bí Cineálta and the Acceptable Use Policy with your teacher?
10. Do you think you learn enough about internet safety at school?
