

Digital Learning Framework

Sample School Leader Reflection Questions

Standard 4.4: Build professional networks with other school leaders.

School Leader Reflection Questions

1. How actively do I engage with other school leaders to share and learn about effective uses of digital technologies in teaching and learning and leadership and management?
2. What professional networks, clusters or national bodies (e.g. Oide, CESI, IPPN, Small Schools Clusters etc.) do I connect with, and how do these relationships support school improvement?
3. How do we apply new insights to our school context?
4. How do I ensure that insights and ideas gained from professional dialogue are shared with staff and translated into classroom practice?
5. In what ways do I contribute to professional discussions (e.g. sharing good practice, leading conversations, presenting experiences) rather than only receiving information?
6. How do I evaluate the impact of new approaches to digital learning that have been informed by engagement with external networks?
